RE: Bill Ferst Recommendation

Painted House

Medford Lakes, NJ

To Whom It May Concern:

I am taking time to write this letter because I firmly believe that Bill Ferst should be very highly recommended to do work on any future job he pursues. He painted my house in the summer of 2007 and I am very happy with the result. Bill was helpful in every aspect of making the customer satisfied with his work. From the decision making process, which I struggled in, to the final touches I asked for, to the shed which was added as an option by the estimate and needed to be done at the same time, Bill handled it all very respectfully and professionally. I am always picky about everything when it comes to my house, but after the job was completed I could not find a single thing to complain about or have him fix. Anyone would be very privileged to have Bill Ferst paint their house.

If you have any questions or concerns please call.

Sincerely

Samantha L. Heddenorf
